The Fallowfield Suite

Situated next to The Hayward Suite, The Fallowfield Suite is perfect for pre-wedding drinks and very small wedding breakfasts.

The Major Buckley Suite & Billy's Boot Room

The Boardroom

The Boardroom is a lovely self contained suite on our 2nd floor with a warm, welcoming ambience. It provides an elegant setting for civil ceremonies and small wedding receptions.

Pitch facing Suites

These suites offer a chance to keep your event extremely private and personal, and hold a maximum of 15 people seated.

WV1 Bar and Restaurant

WV1 Bar and Restaurant has the feeling of a stylish venue, with wooden floors and exposed brick work - a traditional loft style setting. Enjoy a relaxed and comfortable atmosphere that has a capacity of 500.

The large, modern, main reception and the ascent to the second floor is totally glass fronted, offering panoramic views of the north of the City, guaranteed to exceed all your expectations.

WV1 Quadrant

For the more intimate wedding, the Quadrant offers its own individual style and ambience, which holds up to 34 guests. The suite is complete with its very own private seated balcony which overlooks the fantastic Molineux pitch.

The Speeches

Speeches will normally follow the traditional schedule as follows, however you can personalize speeches to the order and number to suit your own specific requirements:

Speech One : The Brides Father

The Brides Father (or a close relative or family friend) would always propose a toast of 'health and happiness to the bride and bridegroom'. Before doing so he would normally welcome the grooms parents, relatives of both families any other guests and welcome the groom to his family and say a few words about his daughter.

Speech Two - The Bridegroom

The bridegroom replies on behalf of the newlyweds, and thank his parents for there love and care during his youth, for the start they gave him in life, and for their good wishes for his future and that of his wife. He will also take this opportunity on behalf of his wife and himself to thank all those present for their gifts.

Should there be any close members of the family who could not attend the wedding because of illness, they should be mentioned and be wished for a speedy recovery.

To conclude, the bridegroom will propose the toast of the bridesmaids, and thank them for a job well done, he may also present them with a small gift as a token of their appreciation.

Speech Three - The Best Man

It is the best man's duty to respond to this toast on behalf of the bridesmaids, his speech should be light hearted and fun.

It should be the high spot of the reception and it is very often his ability to make this particular speech, with humour and interest, that is the deciding chapter on the selection of the best man. (no pressure then!)
